Cole Miller

Dallas, TX | 817-733-2566 | cole.t.miller@gmail.com | github.com/ColeMiller21 | linkedin.com/in/colemiller21/ | colemiller.in/

Skills

JavaScript, React.js, Node.js, HTML5, CSS3, Angular, RESTful APIs, Bootstrap 4, .Net Core, MSSQL

Projects

Green 2 Green
- An application created with the MERN stack designed to allow golfers to input their total scores, slope and rating designated by the course they played and create their golf handicap. As scores are entered the USGA handicap formula is utilized to give players an accurate handicap so they can enjoy competitive rounds with golfers of all skill levels.

A.L.F.R.E.D (VSI Hackathon)
- Solid contributing team member to the award-winning !False team which competed in the Visual Storage Intelligence Hackathon (February 2020)
- Contributed by researching TensorFlow.js to use Linear Regression to predict a max storage capacity timeframe. Displayed great communication with other team members to get appropriate data in order to deliver a working application in a one week timeline.

Education

Southern Methodist University

Full Stack Web Development Certification – Graduated March 2020

Work Experience

Shockwave Consulting

- **Applications Developer** (2020 – present) – Created proof of concept projects using React, CSS, Html, Fiori, SAPUI5. Developed a .Net Core Web API with Entity Framework and an Angular web application. With minimal oversight I was able to complete tasks in a timely manner and publish projects to an IIS server using Visual Studio.

Nouri Meals

- **Volunteer Web Developer** (2020) – Improved company branding and polish by creating React, React components and using SCSS, and CSS Grid.

Costco Wholesale

- **Tire Center Installer & Supervisor** (2016 – 2020) – Ensured the Tire Center was being ran efficiently while upholding the high quality and safety standards of Costco. Resolved customer issues by listening to their concerns and deliver resolutions. Performed inventory checks to maintain accountability of products on hand.

US Army

- **Infantry Team Leader** (2014-2015) - Promoted to Sergeant in 2014. Lead a team through strenuous tasks and day to day activities.
- **Infantryman** (2011-2014) – Perform as a member of a fire team during drills and combat. Took direction in many stressful scenarios to ensure my designated tasks were completed to the standards of the team.
